About Us

Roxburgh UK Disability Consultancy is based in Royal Leamington Spa, Warwickshire, being close to all major road networks enables us to offer our services to a wide area of the Midlands.

The team at Roxburgh UK has many years personal and professional experience of social care and independent living and from our experiences we believe that given the right support everyone can make their own choices, be in control and achieve their own outcomes.

The ultimate aim of Roxburgh UK is for disabled people to plan and organise their own support to meet their individual needs and with their own outcomes being met.

Roxburgh UK delivers a wide range of services to individuals, statutory organisation and voluntary organisations and other groups who work with people who wish to live independently.

Services

Roxburgh UK provides assistance, consultation and training to people who wish to live independently and to those who are working in the social care sector.

Roxburgh UK provide the following services:-

- Training Service
- Direct Payments and Independent Living Support
- Individual Budgets and Self Directed Support
- Social Work and Care Management
- Welfare and Benefit Advice
- Brokerage Service

Square peg, round hole! Let us resolve...

Independent Brokerage Service

Roxburgh UK offer a range of services in the area of Independent Brokerage, which are tailored to meet your individual needs and circumstances at competitive rates.

- **Service Design** - we are able to design and develop individually tailored support packages to an agreed budget. We have a good working knowledge of costing support packages, FACS criterion and its application.
- **Payroll Service** – We are registered as a Payroll Agent with the HM Revenues and Customs.
- **Accounting** – We are able to help people to keep up-to-date financial records and returns for the Individual Funding.
- **Recruitment** – We are able to help people recruit their own supporter workers and personal assistants.
- **Personnel Advice** - We are able to offer personnel advice to people managing their own support.
- **Community Development** – We are able to help people to build community opportunities and networks.
- **Benefits Advice** – We are able to help people identify and claim additional benefits, entitlements or possible resources.
- **High Intensity Coordination** – We are able to help people run their own support service from week-to-week.
- **Medium Intensity Coordination** – We are able to help people change their support service over the course of a year
- **Low Intensity Coordination** – We are able to help people review and change their support service annually
