

SUPPORT & ADVICE ON INDEPENDENT LIVING

About Us

Roxburgh UK Independent Living Consultancy is based in Leamington Spa, Warwickshire. Being close to all major road networks enables us to offer our services to a wide area of the Midlands.

The team at Roxburgh UK have many years personal and professional experience of social care and independent living and from our experiences we believe that given the right support everyone can make their own choices, be in control and achieve their own outcomes.

The ultimate aim of Roxburgh UK is for disabled people to plan and organise their own support to meet their individual needs and with their own outcomes being met.

Roxburgh UK delivers a wide range of services to individuals, statutory organisations, voluntary organisations and other groups who work with people who wish to live independently.

We provide information on a wide range of aspects of Independent Living, from specialist equipment services to social networking and holidays... **give us a call and you may discover something you didn't even know you were missing!**

Independent Brokerage Services

Our Support Brokers will support you in taking control of your own life. We are here to help determine what support you need, identify what skills you already have, what sort of life you want, and create a plan to make it happen. We manage costing and find services that work for you, and tackle problems you may face that restrict your independence.

Roxburgh UK offer a range of services in the area of Independent Brokerage.

- **Service Design** - We design and develop individually tailored support packages to an agreed budget. We have a good working knowledge of costing support packages, Fair Access to Care Services (FACS) criterion and its application.
- **Payroll Service** - We are registered as a Payroll Agent with the HM Revenues and Customs.
- **Accounting** - We help people to keep up-to-date financial records and returns for the Individual Funding.
- **Recruitment** - We help people recruit their own support workers and personal assistants.
- **Personnel Advice** - We provide personnel advice to people managing their own support.
- **Community Development** - We help people to build community opportunities and networks.
- **Benefits Advice** - We help people identify and claim additional benefits, entitlements or possible resources. We offer three levels of support brokerage allowing the individual to determine the level of our involvement.
- **High Intensity Coordination** - Support to create and implement your support package with full management on a week to week basis.
- **Medium Intensity Coordination** - Support to create and implement your own initial support package, and quarterly sessions with a broker to ensure smooth running.
- **Low Intensity Coordination** - Support to create and implement your own initial support package to manage independently.

Being different
is not a crime,
victimisation is.
